Sub: Creation of ABC IDs and Uploading Credit Data on the ABC Portal

As per the guidelines of the University Grants Commission (UGC) and the Ministry of Education, all Higher Educational Institutions (HEIs) required to ensure that all students have created their Academic Bank of Credits (ABC) IDs.

All Principals and HODs please note that for our university, the last date for the creation of ABC IDs for all concerned students for the academic session 2021-22, 2022-23, and 2023-24 and the uploading of their credit data will be November 15, 2024.

It is imperative that all departments ensure the creation of ABC IDs for their students and complete the uploading of credits to the ABC portal by mapping the credits with the students' APAAR accounts.

A report confirming the completion of the ABC ID creation and credit data upload must be submitted to the Examination Office by November 15, 2024.

All Principals and HODs are instructed to prioritize this task and ensure that it is completed before the stipulated deadline.
