Shri JJT University-At a Glance

Shri Jagdishprasad Jhabarmal Tibrewala University was established in 2009 through an Act of the State Legislature of Rajasthan and is recognised by the UGC under section 22 of the UGC Act, 1956. Since its establishment, the University has been progressing steadily. It is now known for dedication, commitment and service to the community in the rural Shekhawati region of Rajasthan State. The University is widely acknowledged for its outstanding reputation as one of the progressive private Universities in the state. The history spans 14 exhilarating years.

The University was founded by the Shri Rajasthani Sewa Sangh, Mumbai, in the named after Shri Jagdishprasad Jhabarmal Tibrewala Ji. The University is seeking to form strategic alliances and academic collaborations with leading universities in the research, sports and other fields. The infrastructure is well-equipped with state-of-the-art facilities. The University features a large and well-managed Sports Complex for both outdoor and indoor games. The campus covers thirty acres and is situated on the Jhunjhunu-Churu state highway in a verdant natural setting. The University boasts a faculty of highly trained and experienced intellects who have been educated at prestigious universities in India. The University is research-oriented with a focus on innovations and research. The University is a member of the associations such as AIU, and CSI India.

To promote girls education, the University offers 50% Tuition Fee Concession to female students excluding some programmes.

Tuition Fee Concession for extraordinary sports persons is given according to the University Sports Policy. The fee structure is affordable in order to make education accessible to a large number of students. The University arranges several co-curricular and extra-curricular programs to enhance Social Events, Literature, Sports, Culture, Environment, and General Awareness.

VISION

- Becoming a vibrant knowledge hub and a centre of excellence in education and research.
- Bringing about conservation, creation, advancement, and dissemination of knowledge.
- Generating cutting edge technology using research and innovation to make India a developed nation.
- Creating leaders in all type of education.
- To develop sports persons who can earn honour for country by wining Asian and Olympic games
- Imparting defence education to youth who like to serve the defence services
- Imparting holistic education with skill, technology and Indian culture.

MISSION

Shri Jagdishprasad Jhabarmal Tibrewala University has been established with a commitment to make higher education available to all those who are deprived of object-oriented modular education with an emphasis on practical knowledge keeping in view the emerging industrial needs of India. Create business job opportunities and excel in research to fulfil the requirement of India in different areas of science, technology, management, cultural activities, defence science and all Olympic recognised sports.

CHAIRPERSON'S MESSAGE

Dear Prospective Students,

Established in 2009, Shri J J T University has made a remarkable beginning and continues to focus on initiatives such as development of modern curriculum meeting the needs of industry and larger objectives of education, building research culture, engagement with students and other stakeholders, staffs' capacity building programs, collaborations with reputed organizations and industry, construction of a state-of-the-art campus building, offering new academic programs and multi-disciplinary courses to widen students' perspective and carrying out of cultural and sports activities on a larger scale for holistic development of the students.

The basic facilities available on the campus include administrative building, academic buildings, Library, Student hostels, Guest house, Gymnasium and sports facilities including a cricket ground, swimming pool and Indoor Games Complex. The Auditorium with the stat-of-the-art facilities is available for all the major and mega events. The SJJTU firmly believes that route for any fundamental change in the society is education; therefore, we are creating forums, facilities, and environment so as to enable the students to learn and develop critical thinking, teamwork, learning of information technologies, inter-personal skills, practical skills, empathy, and ethical perspective to smoothly sail through the challenges of professional and personal life.

SJJTU provides ample opportunities to students to explore and express themselves at fore such as engaged discussion in classrooms, industry & community-linked research projects, participation in seminars, workshops, international conferences competitive events, and different curricular & extra-curricular activities that we have been doing for a log time and intend to do on a larger scale in future too. MOUs with Indian & foreign universities have been signed for training and research & development. If a university has to create knowledge and serve the society then it requires its strong foundation in research. Realizing this, steps have been initiated to develop a research culture in the University which include; upgrading laboratories for advanced experimentation, partial funding of research and identification of research issues having relevance to industry and local problems.

As chairperson, I am deeply committed for strengthening the values such as freedom of creativity, diversity, excellence, prudent management of resources, engaged learning and giving back to society and nation. We also understand that the vision of the SJJTU to be known for its capacity to transform society through intervention in the domain of higher education is a challenging task to achieve. However, with the cooperation and support of all stakeholders, we are sure of reaching to our destination. On behalf of the SJJTU, I welcome all to our University to experience the hope and happiness of being a JJTian.

With the best wishes,

Dr. Vinod Tibrewala
Chairperson
Shri JJT University

PRESIDENT'S MESSAGE

Dear Prospective Students,

It brings me immense pleasure to extend a warm welcome as you aspire to joining our esteemed university for your undergraduate (UG), postgraduate (PG), and doctoral (PhD) programs. I am honoured to lead, Shri JYT University, a community deeply committed to fostering academic excellence, innovation, and holistic growth.

Our belief in education's transformative power drives our commitment to providing a world-class learning environment. At Shri JYT University, we aim to equip our students with not only knowledge and skills but also values that empower them to excel in their chosen fields and contribute meaningfully to society.

Our UG and PG programs are meticulously designed to meet the dynamic needs of the professional world, offering a diverse array of disciplines with a strong focus on job orientation. Additionally, we take pride in our dedication to the holistic development of our students. Our university strives to create an inclusive environment that encourages camaraderie, sportsmanship, and a passion for physical activity.

As we aspire to become a premier private sports university, we are committed to fostering a vibrant sports culture on campus. We encourage active participation in sports activities, firmly believing that a healthy body is essential for a healthy mind. Our state-of-the-art sports facilities, experienced coaches, and a variety of sporting events and competitions aim to bring to fruition the dreams outlined in our mission 'Tiranga'.

Beyond academic pursuits, we are deeply invested in the well-being of our students. Our counselling services, health facilities, and diverse extracurricular clubs and societies provide robust support and opportunities for personal growth. We strive to create a campus environment that celebrates diversity, encourages critical thinking, and fosters lifelong learning.

I encourage you to grasp this chance to become an integral part of our dynamic academic community. Join us as we set forth on a voyage of knowledge, exploration, and transformation. Together, let's work towards sculpting a brighter future for ourselves and contributing positively to the world.

With the best wishes,

Dr. Davinder Singh Dhull
President
Shri JYT University

REGISTRAR'S MESSAGE

Dear Aspirants,

I am delighted to extend a warm welcome to you on behalf of the faculty and staff of Shri JJT University, an institution committed to fostering the intellectual development of youthful individuals in preparation for their future endeavours. Our dedication to fostering a healthy learning environment is motivated by our vision of excellence. Our objective is to imbue students not solely with knowledge and abilities, but also with principles that empower them to make substantial contributions to society.

We are deeply committed to fostering the comprehensive growth and well-being of every student. In our pursuit of establishing ourselves as a premier private sports university, our devotion lies in fostering a dynamic campus sports culture. We believe in the active engagement of individuals in athletic pursuits, acknowledging the criticality of physical well-being to mental health. This is demonstrated by our cutting-edge athletic facilities, seasoned coaches, and variety of sporting events and competitions.

In addition to evaluating academic performance, we highly prioritize the overall welfare of our students. Counselling services, health facilities, and a variety of extracurricular organizations and societies collectively provide substantial assistance and prospects for individual development. Our objective is to establish an academic setting that values and honours diversity, encourages informed and analytical thought, and cultivates enduring connections.

By embracing this opportunity to join our dynamic academic community, one will expedite of intellectual growth, enlightenment, and paradigm shift. Collectively, let us endeavour to improve the future for society and effectuate a constructive influence on a global scale.

Sincere regards,

Dr. Ajit Kumar
Registrar

NURTURING EXCELLENCE IN HIGHER EDUCATION

The landscape of higher education has evolved significantly over the years, undergoing profound transformations that have reverberated across every segment and sector. These changes have not only reshaped the educational paradigm but have also left an indelible mark on institutions of higher learning worldwide. Among these institutions, Shri JYT University stands out as a beacon of academic excellence, committed to imparting knowledge, instilling values, and nurturing skills among the dynamic minds of tomorrow. Through its holistic approach to education, the university is molding individuals who are not only equipped to navigate the challenges of the future but are also poised to make meaningful contributions to the nation's growth and productivity.

At the heart of Shri JYT University's mission lies its dedication to academic, research, cultural, and sports excellence. Each institute within the university serves as a vibrant hub of intellectual inquiry, fostering a culture of academic rigor, innovation, and creativity. Here, students are not merely passive recipients of knowledge but active participants in the process of discovery and learning. Through a comprehensive curriculum and experiential learning opportunities, the university endeavors to empower its students with the skills and competencies needed to thrive in an ever-changing world.

In addition to its academic pursuits, Shri JYT University places great emphasis on research excellence. The university recognizes that breakthroughs in knowledge and innovation are essential drivers of progress and development. As such, it actively supports and encourages research endeavors across a wide range of disciplines. Through state-of-the-art facilities, collaborative research projects, and mentorship from esteemed faculty members, students are provided with the resources and guidance needed to engage in cutting-edge research that addresses pressing societal challenges and contributes to the advancement of human knowledge.

Furthermore, Shri JYT University celebrates cultural diversity and promotes the arts as integral components of a well-rounded education. Through a myriad of cultural events, performances, and exhibitions, the university fosters an inclusive and vibrant campus community where students from diverse backgrounds can come together to share their talents and experiences. By nurturing a spirit of creativity and appreciation for the arts, the university not only enriches the academic experience but also cultivates a sense of cultural awareness and understanding among its students.

Moreover, Shri JYT University recognizes the importance of sports excellence in promoting holistic development and well-being. It believes in the transformative power of sports to instill discipline, teamwork, and resilience in individuals. To this end, the university provides state-of-the-art sports facilities and opportunities for students to excel in a variety of athletic pursuits. Through rigorous training, coaching, and participation in intercollegiate competitions, students are encouraged to push their physical limits, hone their skills, and strive for excellence on the playing field.

In essence, Shri JYT University embodies a commitment to excellence across all facets of its educational mission. Whether in academia, research, culture, or sports, the university remains steadfast in its pursuit of excellence and innovation. By providing a nurturing and intellectually stimulating environment, it seeks to empower students to realize their full potential and become leaders in their respective fields. As the university continues to chart new milestones and break barriers, it remains firmly committed to shaping the future leaders, thinkers, and innovators of tomorrow.

INSTITUTE OF ENGINEERING

Department of Mechanical Engineering

● Diploma in Mechanical Engineering

A Diploma in Mechanical Engineering is a specialized program that provides students with fundamental knowledge and practical skills in the field of mechanical engineering. This diploma typically spans duration of three years and is designed to equip students with the expertise required for entry-level positions in the mechanical engineering industry.

Duration

3 Years (6 Semesters)

Eligibility

Passed 10th examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 36,000

● Diploma (Engineering) Lateral Entry

Duration

2 Years (4 Semesters)

Eligibility

XII (PCM)/ITI (2 Years)

Annual Tuition Fee

INR 36,000

● B.Tech. in Mechanical Engineering

A Bachelor of Technology in Mechanical Engineering is an undergraduate degree program that focuses on the principles and applications of mechanical systems and processes. This field of engineering encompasses the design, analysis, manufacturing, and maintenance of mechanical systems and devices. They may work as design engineers, project managers, quality assurance engineers, or contribute to research and development in their chosen field.

Duration

4 Years (8 Semesters)

Eligibility

Passed 12th examination with Physics, Mathematics & Chemistry Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 60,000

● B.Tech. (Lateral Entry)

Eligibility : Passed Minimum 3-years / 2-Years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category).

Duration : 3 Years (6 Semesters)

Annual Tuition Fee

INR 60,000

● M.Tech. in Mechanical Engineering

A Master of Technology (M.Tech.) in Mechanical Engineering is a postgraduate program that offers advanced education and specialization in the field of mechanical engineering.

Eligibility: B.E. / B.Tech. Degree in Mechanical Engineering

Duration

2 Years (4 Semesters)

Eligibility

B.Tech or equivalent in concerned relevant subject Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee

INR 66,000

● Ph.D.

Eligibility

Masters in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration

Minimum 3 Years

Annual Tuition Fee

INR 80,000

Department of Computer Science & Engineering

● Diploma in Computer Science & Engineering

A Diploma in Computer Science & Engineering is an academic program that provides students with a foundational understanding of computer science and engineering principles. Upon completion, graduates may pursue roles such as software developers, system administrators, technical support specialists, or pursue further studies in related fields.

Duration

3 Years (6 Semesters)

Eligibility

Passed 10th examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 36,000

● Diploma (Lateral Entry)

Duration

2 Years (4 Semesters)

Eligibility

XII (PCM)/ITI (2 Years)

Annual Tuition Fee

INR 36,000

● B.Tech. in Computer Science & Engineering

A Bachelor of Technology in Computer Science & Engineering (CSE) is a four-year undergraduate degree program that focuses on the principles and applications of computer science and engineering. Curriculum covers a broad range of subjects, including programming languages, data structures, algorithms, computer organization, operating systems, database management, software engineering, networking, artificial intelligence, machine learning, and more.

Duration

4 Years (8 Semesters)

Eligibility

Passed 10+2 examination with Physics, Mathematics & Chemistry Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 60,000

● B.Tech. (Lateral Entry)

Eligibility

Passed Minimum 3-years / 2-Years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category).

Duration

3 Years (6 Semesters)

Annual Tuition Fee

INR 60,000

● Master of Technology (Computer Science & Engineering)

M.Tech. in Computer Science and Engineering is a postgraduate program designed to provide advanced knowledge and skills in the field of computer science and engineering. The primary goal of M.Tech. in Computer Science and Engineering is to equip students with in-depth knowledge, practical skills, and research capabilities in various aspects of computer science and engineering.

Duration

2 Years (4 Semesters)

Eligibility

B.Tech or equivalent in concerned relevant subject Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee

INR 66,000

● Bachelor of Computer Applications (BCA)

Bachelor of Computer Applications (BCA) is an undergraduate academic degree program that focuses on developing skills and knowledge in the field of computer applications. The curriculum of BCA includes subjects such as programming languages (C, C++, Java), data structures, algorithms, database management systems, computer networks, software engineering, web development, and system analysis.

Duration

3 Years (6 Semesters)

Eligibility

Passed 10+2 examination with Mathematics obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 30,000

● Master of Computer Applications (MCA)

Master of Computer Applications (MCA) is a postgraduate academic degree program that focuses on the principles and practices of computer science and application development. The curriculum covers a wide range of subjects, including programming languages, database management, computer networks, software engineering, web development, data structures, algorithms, and system analysis and design.

Duration

2 Years (4 Semesters)

Eligibility

Graduates (with 10+2+3) with Mathematics either at XII level or graduation level or BCA/ B.Sc. (IT)/B.Sc.(CS) or B.E. with at least 50% marks (45% marks for reserved category) marks in the aggregate.

Annual Tuition Fee

INR 42,000

● Master of Science in Information Technology (M.Sc. IT)

The Master of Science in Information Technology (M.Sc. IT) is a postgraduate academic degree program that focuses on advanced knowledge and skills in the field of information technology. This program is designed to prepare students for leadership roles in various aspects of IT, including software development, database management, network administration, cybersecurity, and project management.

Duration

2 Years (4 Semesters)

Eligibility

B.A./B. Sc./B. Com./B.C.A. (Pass course or Hons.) from any recognized University under the 10+2+3 scheme with at least 50% marks in the aggregate.

Annual Tuition Fee

INR 30,000

● PG Diploma in Computer Applications (PGDCA)

The primary objective of PGDCA is to equip students with advanced knowledge and skills in computer applications. Students study a range of topics such as programming languages, database management, software engineering, web development, networking, and system analysis. Upon completion of PGDCA, graduates can pursue various career opportunities in the IT industry.

Duration

1 Years (2 Semesters)

Eligibility

Bachelor degree with 45% marks for general category, 42% for OBC category, and 40% marks for SC/ST category

Annual Tuition Fee

INR 21,600

● Ph.D.

Eligibility

Masters in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration

Minimum 3 Years

Annual Tuition Fee

INR 80,000

Department of Civil Engineering

● Diploma in Civil Engineering

This course covers the design, construction, upkeep and maintenance of roads, bridges, dams, buildings, etc. Theory and practical knowledge related to construction management will be imparted to students. Structural, geotechnical, transportation, environmental and other engineering specialties are included in the common specialization. Students will develop a sense of teamwork and collaborate to accomplish a shared goal.

Duration

3 Years (6 Semesters)

Eligibility

Passed 10th examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 36,000

● Diploma (Engineering) Lateral Entry

Duration

2 Years (4 Semesters)

Eligibility

XII (PCM)/ITI (2 Years)

Annual Tuition Fee

INR 36,000

● B.Tech. in Civil Engineering

The course deals basically with the design and development of transportation systems, buildings, bridges, highways, flyovers etc. Civil engineers find work not just in construction industry, but also in other industries such as oil and energy, transportation, petroleum, environmental, power and electric utilities, chemical etc, where infrastructure projects and construction facilities are involved.

Duration

4 Years (8 Semesters)

Eligibility

Passed 12th examination with Physics, Mathematics & Chemistry obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee

INR 60,000

● B.Tech. (Lateral Entry)

Duration

3 Years (6 Semesters)

Eligibility

Diploma Civil Engineering/B.Sc. (PCM)

Annual Tuition Fee

INR 60,000

● M.Tech. in Transportation Engineering

Master of Technology (M.Tech.) in Transportation Engineering is a 2 year post graduate degree in the field of Transportation Engineering. The course is covered in the semester system, having 4 semesters in total, in which you study design, planning maintenance of the transport system as it's a part of civil engineering. It includes railways, waterways, highways, roadways, etc.

Duration : 2 Years (4 Semesters)

Eligibility

B.Tech / BE. in Civil Engineering obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee

INR 66,000

● M.Tech. in Structural Engineering

The course is covered in the semester system, having 4 semesters in total. It is a specialized branch of civil engineering that deals with concepts such as structural design, structural stability, general safety and reliability of the construction, withstanding seismic forces and building failures.

Duration : 2 Years (4 Semesters)

Eligibility

B.Tech / BE. in Civil Engineering obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee

INR 66,000

● M.Tech. in Construction Technology & Management

It is a fusion of engineering and management. It focuses on the knowledge and techniques required for the planning, coordination and successful execution of large-scale projects such as the design and construction of mega-structures like buildings, ships, aircraft, roads, bridges, airports, sewage systems, multi-purpose rivers, valley projects and so on.

Duration : 2 Years (4 Semesters)

Eligibility

B.Tech/B.E. in Civil Engineering
Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee
INR 66,000

● Ph.D.

Eligibility

ME/M.Tech in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration

Minimum 3 Years

Annual Tuition Fee
INR 80,000

Department of Electronics & Communication Engineering

● Diploma in Electronics and Communication Engineering

A Diploma in **ECE** is a specialized program that provides students with the fundamental knowledge and practical skills in the field of electronics and communication. Diploma in Electronics and Communication Engineering provides a solid foundation for individuals seeking entry-level positions in the electronics and communication industry or those looking to pursue higher education in the field.

Duration : 3 Years (6 Semesters)

Eligibility

Passed 10th examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee
INR 36,000

● Diploma (Engineering) Lateral Entry

Duration : 2 Years (4 Semesters)

Eligibility :

XII (PCM)/ITI (2 Years)

Annual Tuition Fee
INR 36,000

● B.Tech in Electronics and Communication Engineering

B.Tech. in Electronics and Communication Engineering is an undergraduate degree program that focuses on the study and application of electronic systems and communication technologies. B.Tech. in **ECE** equips students with a solid foundation in electronic systems and communication technologies, preparing them for diverse and dynamic career opportunities in the rapidly evolving field of technology.

Duration : 4 Years (8 Semesters)

Eligibility

Passed 10+2 examination with PCM
Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

Annual Tuition Fee
INR 60,000

● B.Tech. (Lateral Entry)

Duration

3 Years (6 Semesters)

Eligibility

Passed Minimum 3-years Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category).

Annual Tuition Fee

INR 60,000

● M.Tech. in Micro Electronics and VLSI Design

M.Tech. in Micro Electronics and VLSI (Very Large-Scale Integration) Design is a specialized postgraduate program that focuses on advanced concepts and technologies in the field of microelectronics and VLSI design. Microelectronics refers to the study and application of small-scale electronic components and systems, while VLSI design involves the integration of a large number of transistors and electronic components on a single chip.

Duration

2 Years (4 Semesters)

Eligibility

B.Tech. or equivalent in concerned subject obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Annual Tuition Fee

INR 66,000

● Ph.D.

Eligibility : Masters in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration : Minimum 3 Years

Annual Tuition Fee

INR 80,000

INSTITUTE OF SCIENCE

Department of Bio-Science

● Bachelor of Science (Bio Group)

It is a broad study that encompasses the fields of Botany, Zoology, Microbiology, Biotechnology, Genetics and Molecular Biology in addition to many other biological aspects of living things. The biology branch of science is concerned with the study of human evolution, genetics, the beginning of life, cell biology, the study of various species and their evolutionary histories, ecology, cell reproduction, the formation of life, etc.

Duration : 3 Years (6 Semesters)

Eligibility

Passed 10+2 (Physics, Chemistry and Biology) examination with 50% marks for general category, 48% for OBC category, and 45% marks for SC/ST category

Annual Tuition Fee

INR 14,400

● Master of Science (M.Sc) (Zoology, Botany, Microbiology, Biotechnology, Biochemistry)

The Master of Science program is intended to those students who wish to expand on their knowledge of biology. In essence, this course is a study of living things, with a focus on their ecology, evolution, and growth structure. Other topics covered in this course include taxonomy and the origins of various species.

Duration : 2 Years (4 Semesters)

Eligibility

B.Sc. Degree (Pass Course or Hons.) from any recognized University under 10+2+3 Scheme with CMZ /Biotechnology /Botany / Pharmacy/Genetics / Life Sciences / Biochemistry / Integrated Microbiology/Integrated Biotechnology as one of the Subjects with at least 50% marks.

Annual Tuition Fee

INR 30,000

● Ph.D.

Eligibility

Masters in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration : Minimum 3 Years

Annual Tuition Fee
INR 80,000

Department of Physical Science

● Bachelor of Science (B.Sc. PCM) (Maths Group)

Bachelor of Science (B.Sc.) is one of the most popular academic degree courses among the science students after class 12th. This course of three years is a graduate degree course in Science. This course forms the basis of science and comprises of the subjects like Physics, Chemistry, Mathematics and other allied subjects. Students can also find employment in government sectors such as Banks, Civil Services, Defence Services etc.

Duration

3 Years (6 Semesters)

Eligibility

Passed 10+2 (Physics, Chemistry and Maths) examination with 50% marks for general category, 48% for OBC category, and 45% marks for SC/ST category

Annual Tuition Fee
INR 14,400

● Master of Science (Physics, Chemistry, Mathematics)

M.Sc. in Mathematics is a postgraduate academic degree that typically takes two years of full-time study to complete. M.Sc. in Mathematics is a postgraduate degree program that focuses on advanced mathematical theory, analysis, and applications.

Duration : 2 Years (4 Semesters)

Eligibility

B.Sc. Degree (Pass Course or Hons.) from any recognized University under 10+2+3 Scheme with PCM / Physics, Chemistry/ Mathematics Integrated Physics/ Integrated Chemistry and Mathematics as one of the Subjects with at least 50% marks.

Annual Tuition Fee
INR 30,000

● Ph.D.

Eligibility

Masters in the concerned subject with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)

Duration : Minimum 3 Years

Annual Tuition Fee
INR 80,000

Department of Forensic Science

● B.Sc. Forensic Science

Bachelor of Science (B.Sc.) in Forensic Science provides students foundational understanding of the principles and practices of forensic science. Students will have opportunities for internships or placements in forensic laboratories, law enforcement agencies, or related organizations. The scope of the B.Sc. ADMISSION PROCESS

Step 1

Admissions: All admissions shall be provisional subject to eligibility.

Step 2

Admission Form: The Forms will be available at the University Reception or the Admission forms may be downloaded from University Website: www.jjtu.ac.in

Step 3

Application Fee Payment: Applicants are required to pay the application fee as per the University's guidelines. This fee is usually non-refundable and can be paid online through various payment modes provided by the University.

Step 4

Eligibility Criteria: Prospective applicants must carefully review the eligibility criteria for the desired Diploma, UG or PG program.

Step 5

Entrance Examination (if applicable): Some UG and PG programs may require candidates to appear for entrance examinations conducted by the University or nodal agency decided by the State Government.

Step 6

Merit List/Selection Process: Based on the academic qualifications and performance in entrance exams (if applicable), the University prepares merit lists to shortlist the candidates for admission.

Step 7

Document Verification: Candidates provisionally selected for admission must undergo document verification to confirm their eligibility. Original documents along with photocopies are typically required for verification purposes.

Step 8

Admission Confirmation and Fee Payment: Upon successful document verification, candidates are required to confirm their admission by paying the prescribed programme fees within the specified deadline. Failure to do so may result in the forfeiture of the admission offer.

National Cadet Corps (NCC)

Lt (Dr) Arun Kumar
Army Wing
Associate NCC Officer

The NCC in India was formed under the National Cadet Corps Act of 1948. It can be traced back to the "University Corps", which was created under the Indian Defense Act 1917, with the objective to make up for the shortage in the Army. The National Cadet Corps is the youth wing of Armed Forces with its Headquarters at New Delhi, Delhi, India. It is open to school and college students on a voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens. NCC is the largest uniformed youth organization. Its motto is 'Unity and Discipline'. In living up to its motto, the NCC strives to be and is one of the greatest cohesive forces of the nation, bringing together the youth hailing from different parts of the country and moulding them into united, secular and disciplined citizens of the nation.

The objective of National Cadet Corps is to develop character, comradeship, and capacity for leadership among youth in India. NCC at SJJTU motivates the students with best training and the ideals of selfless service. The training inculcates team spirit, a sense of nationalism and it also helps in developing the overall personality of an individual.

NCC Sub Unit at Shri JJT University

Shri Jagdishprasad Jhabarmal Tibrewala University, Chudela has taken a lead and joined the "National Cadet Corps" in the session 2020-21 to train its students to join the services as officers. SJJTU is a sub unit of 2 Raj Bn NCC Churu with 140 cadets (SD/SW) which presently include 69 boys and 31 girls enrolled cadets. National Cadet Corps offers 'B' and 'C' certificates for Senior Division/Senior wing (SD/SW) cadets. Lt (Dr) Arun Kumar is the Associate NCC Officer of the NCC sub unit. The University has an NCC Office and separate parade ground, obstacle training & short range firing for cadets. Students have a choice to opt for NCC as a proficiency course in first year.

University strongly supports NCC training both financially and morally at the campus. While pursuing the course, NCC cadets undergo different training programs as Drill, Shooting, Physical fitness, map reading, First aid, Gliding/Flying, boat pulling, sailing, mountaineering, scuba diving and camp training covering basic military training in Army.

NATIONAL SERVICE SCHEME

Shri JTT University has active National Service Scheme unit. N.S.S. unit organizes various programs for the benefit of society at large. N.S.S. Camps are organized with the financial assistance given by University. During these years, villages were adopted by the N.S.S. unit. Our N.S.S. unit has organized different social activities to develop the life skills, good citizenship, personal development of the students and community at large. This activity teaches the students the importance of hard work and social values. Apart from clean the campus campaign, Tree plantation, AIDS awareness rally, Voters awareness Rally, save the female child campaign, etc. They participate in physical work "Sharmdaan" and organize guest lecturers on current social issues.

The Bharat Scouts & Guides

Shri JTT University has a unit of 24 Rovers and 24 Rangers. SJTU has one unit of Rovers & one unit of Rangers. The coordinator of the Rover Scout Leader is Dr. Shiv Kumar. Rovers & Rangers undergoes camps organized by Bharat Scout & Guide includes Adventure Camps, Training Camps, Wall Climbing, First Aid, Hiking, Trekking, Map Reading, Knots, Lashing, Disaster Management, Moot and Meet National & International Jamborees.

Bharat Defence Academy

Bharat Defence Academy was started from March, 2023 as per the direction of Honourable Chairperson Dr. Vinod Tibrewala & Director Mrs. Uma Tibrewala. The primary objective of the Bharat Defence Academy is to train and groom young individuals for the career in the Armed Forces. It aims to produce well-rounded officers with a strong foundation in academics, physical fitness, and leadership skills.
