# SHRI JJT UNIVERSITY

## VISION

- Becoming a vibrant knowledge hub and a centre of excellence in education and research.
- Bringing about conservation, creation, advancement, and dissemination of knowledge.
- Generating cutting edge technology using research and innovation to make India a developed nation.
- Creating leaders in the field of science, technology, management, pharmaceutical, and social sciences by providing quality education and research.

## MISSION

Shri JJT University has been established with a commitment to make higher education available to all those who are deprived of object-oriented modular education with an emphasis on practical knowledge keeping in view the emerging industrial needs, business opportunities and research requirements globally in different areas of science, technology, and management.

Shri Jagdishprasad Jhabarmal Tibrewala Ved Vidyalaya: a unique initiative to promote Indian Culture & Heritage run by Shri Rajasthani Seva Sangh at Khemi Shakti Mandir, Jhunjhunu.

Festival of Colours Holi was celebrated by Shri JJT University for Communal Harmony in the presence of all sections of society at Tibrewala Haveli, Jhunjhunu on 29th February, 2020.

# Shaping Competent & Confident New India

**Dr. Vinod Tibrewala**  
**Chairperson**  
**Shri JJT University**

***“ We ensure for  
imparting Knowledge  
and Quality  
Education to produce  
promising students,  
scholars & citizens  
for 21<sup>st</sup> century to  
cater concerned  
stakeholders and  
international  
humanity.”***

It is my pleasure to welcome all the students who aspire to be a part of the intellectual fraternity at Shri Jagdishprasad Jhabarmal Tibrewala University. SJJTU, one of the premier institutions in Rajasthan, was established in 2009 with a vision to be known for excellence in academic, research and social outreach. SJJTU is strongly committed to capacity building and offering outstanding academic, research, sports, co-curricular and placement opportunities with a mission to provide equal opportunity to all sections of the society.

Our policies are driven by holistic perspective with a fair degree of flexibility. The University puts in sustained efforts to create brand equity and offers leadership by way of differentiation in all its intellectual pursuits. Our focus is on development of contemporary, relevant and cutting edge curriculum, development of a healthy academic governance structure, beating various educational quality benchmarks and management blended with updated research with across the globe support. Besides academics, the University provides excellent physical infrastructure and support to pursue sports, hobbies and co-curricular activities for holistic growth and development of students.

The inception and growth of our University are closely entwined with the saga of the rebuilding of modern India and to see India as an economically resurgent country. To be closely associated with society, the University runs various programs leading to the socio-economic development of the country. To support nationwide mission of ‘*Beti Bachao, Beti Padhao*’, university is making all efforts to make higher education of girl students, almost free. As a responsible social citizen, University has started various vocational programmes through which local youth can upgrade their skills and make themselves employable.

I invite you all to experience this unique offering of intellectual and academic brilliance. You come and step in with your dreams and capabilities. I promise you to provide a huge platform for phenomenal learning and environment to develop the potential to reach the zenith.

# Empowering through Education & Skills

**Er. Balkishan Tibrewala**  
**President**  
**Shri JJT University**

***“We are cultivating young minds with Skills and Innovation. We do believe in the actual empowerment of women through encouragement & education.”***

I feel extremely honoured to be the President of Shri Jagdishprasad Jhabarmal Tibrewala University, established in 2009 to cater to the needs of higher education, especially in the remote area of Rajasthan. It has very vast & beautiful campus in a pollution-free environment sprawling over 30 acres. The University has state-of-the-art infrastructure involving laboratories, computer centre, digital library, auditorium, well-equipped sports complex, playgrounds, gymnasium and indoor courts, etc.

The University offers various U.G., P.G. and Ph.D. programs in all branches of engineering, humanities, science, commerce, law, pharmacy and management. Under its academic discipline and highly competitive environment, students get prepare to be successful in life which requires a different set of skills and mind-set.

It will be my sincere endeavour to provide transparent, fair and impartial environment under which, all staff as well as the students could work together to achieve combined objectives of academic excellence. I am sure, as a team, we all would be able to take the University to a glorious horizon of success.

I invite and welcome all young students to join the university to pursue high quality education and research. Shri JJT University assures you to ensure all legitimate support which enable you to achieve your ambitious goal in life.

**Dr. Madhu Gupta**  
**Registrar**  
**Shri JJT University**

**‘ शिक्षा जीवन का आधार,  
जो  
करती सबके सपनों को साकार, ’**

शिक्षा के बदलते स्वरूप और वैश्विक स्तर पर समस्याओं से घिरे सामाजिक परिस्थितियों के बीच सामंजस्य बैठाना, बेशक एक गंभीर चुनौती सदृश्य तो है, पर योजनाबद्ध तरीके से दिनचर्या की रूपरेखा बनाकर चलने से समाधान के रास्ते, और उस पर चल कर मंजिल तक पहुँचना, सुगम हो जाता है। तात्कालिक परिदृश्य के तहत, ऑनलाइन स्टडी की प्रक्रिया के एक सामान्य रूप में अपनी उपस्थिति की महत्ता ने यह इशारा तो कर ही दिया कि भविष्य भी इसके कदम से कदम मिलाकर ही चलने का है। इस सोच के मद्देनजर श्री जगदीशप्रसाद झाबरमल टीबड़ेवाला विश्वविद्यालय अपने छात्रों की शिक्षा के लिए नई नई तकनीक और पद्धति को अपना कर यह सुनिश्चित करने में सफल रहा है कि कि छात्रों को मिल रहे शिक्षा में किसी भी परिस्थितियों में कमी ना रह पाए। पर आज के इस नए परिवेश और पद्धति में शिक्षक के साथ साथ अभिभावकों की भी एक महत्वपूर्ण भूमिका का स्वाभाविक आधार तैयार हो गया है, वो यह कि इस नए पद्धति से तुरंत ही सामंजस्य बैठा कर चल पाने में कुछ छात्र असहज महसूस कर रहे हैं और इस वजह से पढ़ाई के प्रति उनकी गंभीरता में भी कमी आ जा रही है। तो मेरी उन सभी अभिभावकों से गुजारिश है कि शिक्षक तो अपना काम कर ही रहे हैं, आप भी घर में एक शिक्षक और दोस्त की भूमिका में सजग रहें और अपने बच्चों को प्रोत्साहित कर उन्हें ऑनलाइन क्लासेज के अलावा नियमित तौर पर यूनिवर्सिटी कैंपस आ कर क्लास अटेंड करने के महत्व साझा करें। किसी भी छात्र के यहाँ से जुड़ जाने के बाद वह विश्वविद्यालय परिवार का एक सदस्य हो जाता है, तो आप भी इस परिवार का सदस्य होने के नाते, यूनिवर्सिटी द्वारा आयोजित हर “टीचर्स पैरेंट्स मीटिंग” में जरूर शामिल हों। ताकि जो कुछ कमियाँ छात्रों में रह जाती है उसे वक्त रहते हम और आप मिल कर दुरुस्त कर सकें। अपने छात्रों को परिपूर्णता में शिक्षित करने के हमारे चेयरपर्सन डॉ विनोद टीबड़ेवाला के संकल्प के साथ हम सब खड़े हैं। आप भी शामिल होइए हमारे विश्वविद्यालय के इस परिवार में। आपका स्वागत है।

# Shri JJT University-At a Glance

Shri Jagdishprasad Jhabarmal Tibrewala University came into its pious existence in 2009. The University has been marching ahead on its uphill journey since its inception. It has since become synonymous with dedication, commitment, and service to the community in the remote area of the Shekhawati region of Rajasthan State. It is universally recognized for its impeccable credentials of being a top-ranking university among private universities of the state. It has been an eventful history of 13 years. The University owes its emergence to the divine inspiration of the almighty who counseled Shri Rajasthani Sewa Sangh, Mumbai to found a University in the name of Shri Jagdishprasad

Jhabarmal Tibrewala Ji. The University is seeking strategic alliance and academic collaboration with the topmost institutions in the field of research and other disciplines. The University was established by an act 2009 vide f2(5) vidhi/2/2009 of the state legislature of Rajasthan and recognized by UGC under section 22<sup>nd</sup> of the UGC act. It is well-equipped with an extensive infrastructure, containing state-of-the-art facilities. The campus boasts of a spacious and well-maintained Sports Complex for outdoor and indoor games. The self-contained thirty-acre sprawling campus is strategically located on the Jhunjhunu-Churu state highway in its green natural environs.

**10<sup>th</sup> Convocation on 6<sup>th</sup> March, 2022 @ University Auditorium.**

# ACADEMIC PROGRAMS

The face of higher education has been changed drastically. Each and every segment and sector is going through this changing scenario. Hence, an impact on higher education is being reflected very clear.

Shri JJT University is imparting knowledge, values, and developing skills among young and fertile minds. In this way, the institution is producing future ready citizens and contributing in the growth and productivity of the nation in the real sense.

Each Institute of Shri JJT University is a multilateral confluence of academic training, research, innovation, and creativity. An effort is being made to draw a roadmap to arrive at another milestone in the quest for academic excellence. The institutes and departments are embodiments of the University's ever-growing quest for excellence in higher education and research. A brief description of the aims and future directions of these institutes and departments are given as under-

## Institute of Engineering

The Institute of Engineering has been conceptualized and established to work out and develop a dependable model for growth, consistency and significant breakthrough in cutting edge technology and innovation. The rapid diffusion of core engineering fields like Electronics & Communication, Civil engineering, Mechanical engineering, and Computer engineering has the potential of bringing improvement in productivity and efficiency in almost every aspect of human life and consequently turning out to be a key player of economic growth. The Institute is committed to

preparing technology leaders for tomorrow with an innovatively designed curriculum and meticulous pedagogy for training. The Institute provides students with an environment conducive to learning and imbibing knowledge to make them industry-ready. The Institute offers innovative and inter-disciplinary programs (Diploma, B.Tech. M.Tech. and Ph.D.), complemented by experimental learning in the real world situation that allows students to combine classroom learning and their exposure to the industry to understand current trends in their field of interest and expertise.

# Department of Civil Engineering

The Civil Engineering Department of Shri JYT University offers courses in Diploma, UG, PG and Ph.D. The department has competent faculties for meet the various challenges in the field of civil engineering. Shri JYT University makes students able to serve the society in a better manner in various fields like educational, professional and intellectual needs. The Department has designed educational and research programs with specializations in all the major areas of civil engineering. The Department faculty members and staff aims to engage students, in the creation, dissemination, and integration of knowledge through workshops, summer training, industrial visits, teamwork and personalized interaction in real field work. The under graduates & post graduates students of the department are likely to get jobs in government sectors and private sectors.

## OBJECTIVES :

The Department strongly believes that its graduates have been fully prepared for life-long learning experiences and will strengthen their abilities to successfully and effectively solve the complicated problems in the 21<sup>st</sup> century. The Department expects that its ever-evolving educational programs must accomplish its following objectives.

- ◆ To prepare the students to recognize and address the current and future geopolitical and public policy needs, and solve technical problems in concerned areas.
- ◆ To prepare highly skilled leaders in the conduct of interdisciplinary research and development of innovative ideas and approaches.
- ◆ To enable the young aspirants to design and conduct experiments and to analyze and interpret data to develop solutions in the field of the following areas: environmental engineering, geotechnical engineering, hydraulics, structural engineering, transportation engineering, water resources engineering and material engineering.
- ◆ To maintain an intellectually challenging and collaborative environment that is supportive and welcoming, and that enables and encourages our students, faculty, and staff to achieve their best in a diverse community.
- ◆ To develop the ability to disseminate technical knowledge through paper presentations, applications and reports writing.

## Career Prospects

- ◆ Public Sector Units
- ◆ Teaching Institutions
- ◆ Research and Development
- ◆ Rural Development
- ◆ Transportation Development
- ◆ Govt. Jobs
- ◆ Private Jobs in Construction Industries

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE / ANNUM
Diploma : Civil Engineering	10 <sup>th</sup> or 10+2 (PCM) /ITI	3 years for 10 <sup>th</sup> /2 Years for 10+2 (PCM) / ITI	For Boys 30,000 For Girls 15,000
B.Tech.: Civil Engineering	10+2 (PCM) / Diploma in Civil Engineering/ B.Sc. (PCM)	4 years for 10+2 with PCM / 3 Years for Diploma / B. Sc. (PCM)	For Boys 50,000 For Girls 25,000
M.Tech.: Civil Engineering	B.E./ B.Tech Degree in Civil Engineering	2 Years	For Boys 55,000 For Girls 27,500
Ph.D.: Civil Engineering	Master's in Engineering or Technology in Major Areas of Civil Engineering with 55 % marks (50% in case of SC/ST/OBC/EWS/PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Department of Computer Science & Engineering

The Department of Computer Science & Information Technology was established by the University in the year 2009 to nurture students to cope with the ever-changing environment in technology and provide them a strong foundation in the field of computer science & information technology. The Department offers a healthy combination of research and practice in the form of Diploma, B.Tech, BCA, M.Tech, MCA and Ph.D. programs. These programs have been designed to offer a blend of computers, communication technologies and other information

retrieving/processing tools to provide the student with the requisite know-how for solving real-life problems thereby enabling them to enter the world of opportunities with flying colors and capitalize the huge IT market. The Department has well equipped highly advanced infrastructure comprising Database laboratory, Programming laboratory, Networking laboratory, UNIX laboratory, Linux laboratory, Oracle laboratory, Net framework laboratory, MATLAB laboratory, Internet laboratory, and Operating systems laboratory. The Department also provides students the sound industrial exposure by facilitating industrial training/projects, industrial visits, organizing workshops, seminars, conferences, etc. Most of the students have got placements in highly reputed companies/ industries through the training

## Career Prospects

- ◆ Software Developer/Programmer
- ◆ Database Administrator
- ◆ Computer Hardware Engineer
- ◆ Computer Systems Analyst
- ◆ Computer Network Architect/Engineer
- ◆ Web Developer/Designer
- ◆ Information Security Analyst

## OBJECTIVES:

- ◆ To promote the academic skills, logical and reasoning ability of students.
- ◆ To ensure the overall development of the students as computer scientists and engineers.

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM
Diploma : Computer Science & Engineering	10 <sup>th</sup> or 10+2 (PCM)/ITI	3 Years for 10th & 2 years for 10+2 (PCM)/ITI	For Boys 30,000 For Girls 15,000
B.C.A.	10+2 <sup>th</sup>	3 Years	For Boys 25,000 For Girls 12,500
B.Tech. : Computer Science & Engineering	10+2 (PCM) / Diploma in Civil Engineering/ B.Sc. (PCM)	4 years for 10+2 with PCM / 3 Years for Diploma / B. Sc. (PCM)	For Boys 50,000 For Girls 25,000
M. Tech. : Computer Science & Engineering	B.E./B.Tech. Degree in Computer Science/ Information Technology or M.Sc. (Computer Science) / MCA	2 Years	For Boys 55,000 For Girls 27,500
M.C.A.	BCA/ Any Graduate with Maths in 10+2 or Graduation	2 Years	For Boys 35,000 For Girls 17,500
M.Sc. : Information Technology	Any Bachelor Degree	2 Years	For Boys 25,000 For Girls 12,500
Ph.D. : Computer Science Computer Application Information Technology	Master's in Engineering or in Major Areas of Computer Science & Engineering with Minimum 55% Marks (50% in case of SC/ST/OBC/EWS/PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Department of Electronic & Communication Engineering

The Department of Electronics and Communication was established in the year 2009 with the mission of shaping graduates into hardcore professionals who would become effective leaders and noteworthy innovators in the technology areas of electronics and communication engineering. Presently the department is offering diploma, B.Tech, M.Tech, and Ph.D. programs. The Department has well-furnished state of the art laboratories as per the prescribed norms. The Department has its computer centre equipped with highly configured systems, and hi-speed internet connectivity

## Career Prospects

- ◆ Public Sector Units
- ◆ Teaching Institutions
- ◆ Research and Development
- ◆ Bharat Heavy Electronics Limited
- ◆ DRDO – Defense Research and Development Organization
- ◆ BSNL, NTPC, ISRO, BARC

Specific software related to academics, research and training are provided to students to make learning more interactive and effective. The Departmental library is an excellent collection of books, journals, magazines, project reports, thesis, etc. The department has a team of committed and dedicated faculty members, with diverse specializations and rich experience in teaching, research, and industry. The faculty aims to maximize the impact of the teaching-learning process, through the use of innovative methodologies.

## OBJECTIVES :

- ◆ To impart quality education, training, and research in all the areas of electronics and communication engineering.
- ◆ To develop the student's core competence, to take up the challenges in the field of design, research, innovations & development, as per industry and academic requirements.
- ◆ To inculcate a perceptive alacrity to observe, identify real-life problems, formulate strategies for the solution and evolve contextually effective solutions.
- ◆ To deliver theoretical base, advanced technological concepts, teamwork spirit, ethics, human values, practical base, research and development to the students.

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM
Diploma : Electronics & Communication Engineering	10 <sup>th</sup> or 10+2 (PCM)/ITI	3 Years for 10th & 2 Years for 10+2 (PCM)/ITI	For Boys 30,000 For Girls 15,000
B.Tech. : Electronics & Communication Engineering	10+2 (PCM)	4 Years for 10+2 with PCM/ 3 Years for Diploma Holders	For Boys 50,000 For Girls 25,000
M.Tech. : Electronics & Communication Engineering	B.E./B.Tech Degree in Electronics Engineering/ or equivalent or M.Sc.(Electronic Science)	2 Years	For Boys 55,000 For Girls 27,500
Ph.D. : Electronics & Communication Engineering	M.E./ M.Tech. Degree in Electronics Engineering/ or equivalent or M.Sc. (Electronic Science) with minimum 55% marks (50 % for SC/ST/OBC/EWS/PWD).	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Department of Mechanical Engineering

The discipline of Mechanical engineering involves creating small parts for bigger machines to creating the big machines itself. The Department has been established to cater to the latest requirements for technical manpower in infrastructural sectors. Industrial sectors in which mechanical engineers have traditionally made substantial contributions include aerospace, automotive, chemical, computer and electronics, construction, consumer products, energy, engineering consulting, etc. The Department

offers B.Tech, Diploma (3 years), M.Tech. and Ph.D. program.

Excellent facilities in terms of infrastructure, types of equipment and staff are to prepare students as professional engineers, with focusing on innovation, analysis, and development of technologies. The academic activities are supported with a well-stocked library and laboratories so that students can learn the theory of mechanical engineering in-depth and also putting it to practice. The Department commits to enabling students to acquire the skills and the knowledge to be able to build machines that define tomorrow.

## Career Prospects

- ◆ Indian Army/Navy/Air Force
- ◆ Metro Rail corporation
- ◆ Merchant Navy
- ◆ Coal India Ltd.
- ◆ Irrigation Department
- ◆ Oil and Natural Gas Corporation
- ◆ Indian Railway Engineering Dept.

## OBJECTIVES :

- ◆ The Mechanical Engineering Program is designed to prepare students for successful careers having positive societal impact in industry and also in educational institute.
- ◆ To apply their engineering knowledge, critical thinking/creativity, and problem-solving skills with integrity and inclusivity.
- ◆ To create technical manpower through flexible, modular, multi-point entry programmers in mechanical engineering.
- ◆ To offer quality education and training in the thrust areas.
- ◆ To promote entrepreneurial skills for self-employment.
- ◆ To promote industry-institute interaction.

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM
Diploma : Mechanical Engineering.	10 <sup>th</sup> or 10+2 /ITI	3 years for 10th 2 Years for 10+2 (PCM)/ITI	For Boys 30,000 For Girls 15,000
B.Tech. : Mechanical Engineering	10+2 (PCM)/ Diploma in Mechanical Engineering	4 years for 10+2 with PCM / 3 Years for Diploma / B. Sc. (PCM)	For Boys 50,000 For Girls 25,000
M.Tech.: Mechanical Engineering	B.E./B.Tech Degree in Mechanical Engineering	2 Years	For Boys 55,000 For Girls 27,500
Ph.D. : Mechanical Engineering	Master's in Engineering or in major areas of Mechanical Engineering with 55 % marks (50% in case of SC/ST OBC/EWS/PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Institute of Commerce & Management

Institute of Commerce and Management made its modest beginning in 2009. With the growth of multinational corporations and branding, new challenges are emerging every day. To find the solution for these business issues, theoretical as well as practical knowledge is a must for the manager in both fields i.e. product as well as management. MBA Programme with specialization marketing management, financial management, human resource management, international business management, hospitality management, travel and tourism management and education management allow the BBA programme.

B.Com and M.Com started in 2015 with M.Com specialization ascendance and business statics, economic administration and financial management and Business administration.

## OBJECTIVES :

- ◆ To enhance the inborn and acquired skills to impart quality education skills by using modern teaching methodologies focused on innovation, motivation, and entrepreneurship.
- ◆ To impart research activities by organizing conferences, workshops, and seminars.
- ◆ To develop interpersonal skills and the ability to adapt to a new environment.
- ◆ To develop communication skills, ability to work in a team and overall personality.

## Career Prospects

- ◆ Public Sector & Civil Services
- ◆ Teaching Institutions
- ◆ Multinational Corporation
- ◆ Accounting & Taxation
- ◆ E-Commerce
- ◆ None Government Organisation

# Institute of Science

## Department of Bio-Science

The Department of Bioscience was established in 2012 and since then has made major contributions to different streams of Life Science. The faculty of the department has done broad investigation in the diverse areas of Biological Sciences. The department is committed to enhance the frontline studies in almost all aspects of modern Biology including Plant, Animal & Microbial Biology, Immunology and Biotechnology, Bioinformatics, Cellular Biology, Genetics, Molecular Biology, Genetic Engineering, Agricultural Biotechnology, Industrial Microbiology, Ecology, and so on.

### Career Prospects

- ◆ R&D in Industry & Academia
- ◆ Clinical Microbiology/Biochemistry/Immunology
- ◆ Ecologist, Quality & Pollution Control
- ◆ Patent Attorney
- ◆ Science Comm. & Journalism
- ◆ Scientific Sales & Marketing
- ◆ Teaching & Training

## Objectives :

The Department of Biosciences is committed to achieve great standards in both research as well as teaching, and to become an in-demand destination for highly enthused students and researchers. The Department of Biosciences has been established with the following objectives:

- To attain distinction in providing cutting edge learning experience, intellectual freedom, and critical research opportunities in order to become the first choice of students and researchers.
- To undertake advanced research in identified thrust areas of Life science relevant to national need and also provide consultancy/testing facilities in the existing areas of expertise for the service of the society.
- The Department aimed to impart advanced scientific knowledge to bridge the gap between industry and academia.

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM

# Institute of Science

## Department of Chemical Science :

The Department has started B.Sc. & M.Sc. programs in chemistry and industrial chemistry. These programs have been designed to develop trained manpower for research and development (R&D) and allied industries as well as quality control laboratories of pharmaceutical, food & chemicals.

The Department has a well-equipped laboratory with highly qualified modern facilities like UV-Visible spectrophotometer, FT-IR spectrophotometer, gas chromatography (GC), Karl Fischer titrator, nephelometer, conductivity meter, pH meter, bulk density meter, pressure reactor, etc. The Department has expertise in the area of inorganic, organic & physical chemistry.

### LABORATORY FACILITIES

Chemistry laboratory, Analytical laboratory, Industrial chemistry laboratory.

### OBJECTIVES :

- ◆ To act as mentors to undergraduates through advising them in education & research.
- ◆ To teach students the value of cross-disciplinary thinking by providing them excellent educational & research opportunities between chemistry and other fields of study.
- ◆ To promote innovative curriculum development while exposing students to advanced instrumentation and technology. So that they can satisfactorily fulfill the requirements of industrial sectors.
- ◆ To encourage community engagement by providing students with service-learning and community-based research opportunities.
- ◆ To encourage students to value diversity and to develop a global perspective through international experiences in chemistry.

### Career Prospects

- ◆ Industrial Sector
- ◆ Private/ Government Sector
- ◆ R&D and Technical Areas
- ◆ Regional Research Laboratory
- ◆ Quality Control
- ◆ Renewable and Non-Renewable Energy

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM
B.Sc. Chemistry	10+2 with Chemistry	3 Years	For Boys 12,000 For Girls 6,000
M.Sc. Chemistry	B.Sc.(Chemistry) or B.Sc.with Chemistry as an optional Subject	3 Years	For Boys 25,000 For Girls 12,500
Ph.D. Chemistry	M.Sc. Chemistry With 55% marks (50% in case of SC/ST/ OBC/EWS/ PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Institute of Science

## Department of Physical Sciences :

The Department Of Physical Sciences is imparting education in the area of Mathematics & Physics leading to B.Sc., M.Sc. & Ph.D. degrees. The present courses have been designed to prepare students for a career in teaching, research & industries. The design of the course and teaching methodology has been tailored so that it can provide a basic understanding of the concepts and practical expertise as per the need of the market. The course covers of diagnostic, biomedical, analytical instruments being used by most of the pharmaceutical, electronics, food and chemical industries. The science of remote sensing has emerged as a strong tool to monitor the objects or phenomena from a distance through sensors. This technique is in high demand to monitor the environment, weather prediction, exploration of renewable and non-renewable natural resources, agriculture monitoring, mapping, military surveillance, etc.

## OBJECTIVES :

- ◆ To provide strong foundations to students & researchers through basic & applied courses.
- ◆ To develop/prepare professional cadres in the field of science to support the national development programs.
- ◆ To support scientific research and publication in the accredited scientific publications.
- ◆ To encourage participation in scientific forums and seminars.
- ◆ To support scientific research activities on cutting edge topics.
- ◆ To encourage interaction and cooperation between faculty members of different institutes to facilitate multidisciplinary research.
- ◆ To develop abstract, logical and critical thinking and the ability to reflect on events and ideas having direct relevance to current science and technologies.

## Career Prospects

- ◆ Private Sector Industries
- ◆ Teaching Institutions
- ◆ Research Centres
- ◆ Weather Prediction
- ◆ Renewable and Non- Renewable Energy
- ◆ Military Surveillance
- ◆ Biomedical etc.

# Institute of Forensic Science

The Forensics in India gained a momentum in recent years. Days are gone when it was available only to the Law Enforcement Agencies, Judicial Officers, Crime Branch etc. Now, looking at the increasing crime rates day by day, it is high-time to teach Forensics at the University level to the students from all streams. Presently, in the era of dominant and omnipotent Digital Media – Cyber Forensics plays a major role in detecting digital crimes, unethical hacking and impersonation etc. Regarding the new curriculum introduced - M.Sc. (Forensic Science / Forensic Odontology) is definitely going to be the Game Changer for the community. The Palatoscopy, Rugoscopy and Lip prints are equally important while comparing with the fingerprints.

Again in the Contemporary Forensics, the “DNA Finger Printing” is crucial in determining many

crimes, rape cases, paternity issues, genetic disorders, child abuse etc. It was reported by the Govt. that last year around 13,000 out of 16,000 reported rape cases do not conduct Forensic Analysis. For future, The Govt. Of India has decided to establish five more Forensic labs in Mumbai, Chennai, Pune, Bhopal and Guwahati upgrading the capacity of the labs across the country to handle 50,000 rape cases a year

## Career Prospects

- ◆ Teaching, Research Labs
- ◆ Upskilling for Doctors, Dentists and Other Clinical Practitioners
- ◆ Detective & Security Agencies, Banks
- ◆ Police, Crime Branch, CBI, CID & Law Firms
- ◆ Forensic Experts in Courts & Consumer Forums

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM

Ph.D. : Forensic Science	M.Sc. in Forensic Science with 55% marks (50% in case of SC/ST/OBC/EWS/PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Institute of Journalism & Mass Communication

## *An iDEA Can Change Our Life*

This is not a tagline or phrase or quotation to inspire someone but it is reality whenever we choose a *Right Path* or *Career* for our life. **Welcome to the world of *Ideas, Imaginations* and *Innovative Skills* to design communication for masses.**

## *Enhance your Skills and Build a Bright Career in Media*

The term 'Global Village' was coined by Canadian thinker Marshal McLuhan in his famous book 'The Gutenberg Galaxy' which tells us that the whole world is synchronizing rapidly and we can get any news/ information within no time. With advancement in communication and technology, the media has become the powerful segment. Media is playing a vital role to protect Democratic Institutions and Democratic Values and therefore it is known as Fourth Estate in the Democratic set-up.

### **OBJECTIVE :**

To create a dynamic learning and working environment which nurtures new ideas, creativity, research and develops leaders and innovators in the domain of media and mass communication.

IJMC was established with an intention to maintain the global standards for media education, research, extension and training, using state-of-the-art technology for building a knowledge driven information society, contributing to human development, empowerment and participatory democracy, universal values and ethics.

Welcome speech by Arun Pandey, for our Hon'ble Guest on 9th Convocation.

Hon'ble Guest in the auditorium in 10th Convocation.

During interview in JJT Studio

### Career Prospects

- ◆ News Reporter in Radio/TV & Print
- ◆ Corporate Comm. & Public Relations
- ◆ Film & Documentary Making
- ◆ Script/ Content Writing
- ◆ Media Planning/ Consultancy
- ◆ Production in Radio/TV/Print
- ◆ Freelance Journalism/ Indian Information

Certificate Courses in Production Television/ Radio/Print Media/Digital Media/Film Making	10+2 Any Stream	6 Months	For Boys 10,000 For Girls 5,000
Ph.D.	M.A in concern subject with 55 % marks (50% in case of SC/ST/OBC/EWS/PWD)	3 Years	For Boys 80,000 For Girls 80,000

# Institute of Education

Education is the systematic development and cultivation of natural powers, resulting in knowledge, skill and wisdom. Education in its broadest, most general sense is a means through which the aims and habits of a group of people are passed from one generation to the next. Education generally results from any experience that affects the way in which one thinks, feels, or acts. In its narrowest, most technical sense, education is the formal process by which society deliberately passes accumulated knowledge, skills, customs, and values from one generation to the next. Education determines the future of children, society, and nation. The Institute of Education established in 2009 recognize by the national Council for teacher education (NCTE) and approved by Rajasthan Govt., emphasizes on high ideals namely excellence in teaching and learning, high achievement levels, over all development of personality self-reliance, innovation and morals. Since 2018 the Institute of Education has commenced the programme of B.Sc B.Ed.& B.A.B.Ed. and Since then this programme continue.

## OBJECTIVES :

- ★ To prepare students for tomorrow as a good citizen and ideal teachers for the betterment of our nation
- ★ To impart high quality education, training and specialized knowledge to our students as well as researchers.
- ★ To evolve and adopt modern and innovative strategies for promoting high quality learning & training, new pedagogies and technologies in diverse fields of education
- ★ To participate in collaborative programmes with other institutions and agencies for achieving desirable goals
  - ★ Over all development of pupil teachers

## Career Prospects

- ◆ Govt. Job
- ◆ Teaching Institutions
- ◆ Research and Development
- ◆ Job in Private Teaching Institute & Coaching

COURSE NAME	ELIGIBILITY CRITERIA	DURATION	TUITION FEE/ ANNUM
B.A.- B.Ed. (Integrated Course)	10+2	4 Years	For Boys 27,500/- For Girls 27,500/- As Per Govt. Norms

# Institute of Physical Education

The Department of Physical Education was established under the Institute of Education with the aim to promote physical education and develop an interest among people regarding the need and importance of sports and exercise which is medium to improve community health. Physical education provides each student with the opportunity to participate in a comprehensive program consisting of skill development, lead up games, team sports, and physical fitness activities.

The Department offers bachelor's, master's programs in physical education (B.P.Ed./M.P.Ed.) and a Ph.D. program in physical education and yogic science. The Department provides fee concession (up to 50%) to the candidates in U.G. & P.G. courses, who have won medals in sports at the national and state level.

The well implemented, comprehensive courses provide ample opportunities for students to work in government and private sectors as sports-officer, trainers, fitness consultants, instructors or coaches. The Department is well equipped with modern infrastructure and includes activities like basketball, volleyball, badminton, table tennis, lawn tennis, hockey, cricket, kabaddi, kho kho, handball, judo, football, athletics (track and field).

## OBJECTIVES :

- ◆ To develop a base for physical education, sports, health and fitness in the Shekhawati region.
- ◆ To prepare a trained professional in the field of physical education for schools, colleges, universities, and other institutes.
- ◆ To encourage students to participate in sports and physical fitness activities.
- ◆ To undertake research projects for innovations and improvements in sports, health, and fitness.
- ◆ To enable the students to demonstrate the application of physical education in the required fields.

## Career Prospects

- ◆ Sports Teacher/Instructor
- ◆ Coach/Umpire/Referee
- ◆ Gym/Personal Trainer
- ◆ Sports Trainer
- ◆ Yoga Trainer
- ◆ Sports Journalist
- ◆ Commentator

# Institute of Languages

The Institute of Languages aims to promote critical thinking, humanistic values, connectivity amongst cultures and linguistic competence, through its various programs in the domain of literature and language. The Institute comprises the following Departments: (1) Department of Hindi (2) Department of English (3) Department of Sanskrit (4) Department of Urdu . The Institute nurtures an international, multilingual and interdisciplinary approach towards academics. The academic syllabus is so designed to prepare students to develop and upgrade their language & communicative competence, gain training in critical inquiry & debate, and develop their literary sensibility. The researchers are encouraged to take up cutting-edge researches in socially relevant, interdisciplinary areas of research and in new fields of inquiry. Another important objective of the Institute is to provide modular language skills and training to students enrolled in different programs. The faculty is committed to developing professional standards of communication in students across various disciplines.

## OBJECTIVES :

- ◆ To cater and accomplish functional proficiency in listening, speaking, reading, and writing as per academic requirements of literature and communication curriculum.
- ◆ To recognize culture-specific perspectives and values embedded in language for a methodological and pedagogical base for foreign language teaching adapted to Indian conditions.
- ◆ To Decode, analyze, and interpret authentic texts of different genres that Aims at material production for regular teaching and innovative teaching techniques adapted to Indian conditions.
- ◆ To produce a common theoretical component in Indian language towards organized coherent discourse in oral and written modes.
- ◆ Our Institute of Indian Languages will focus on research of Languages and it's originally.
- ◆ To have collective effect through deliberating among the experts from various disciplines on the issues of language and language policy.

## Career Prospects

- ◆ Public Sector & Civil Services
- ◆ Teaching Institutions
- ◆ Priest in Various Places & Temples
- ◆ Research in Language & Literature
- ◆ Script Writer
- ◆ Proof Reader & Translator
- ◆ Hindi Officer in Govt. & Corporations

# Institute of Allied Health Science

## DEPARTMENT OF YOGA AND NATURAL HEALTH SCIENCE

Presently, all modern health care facilities have recognized the importance of Yoga and Naturopathy. The Department of Yoga and Natural Health Science was established in the year 2015 with the mission to propagate a healthy and active lifestyle of human personality. The Department has been developed in accordance with the Central Council of Research in Yoga & Naturopathy, Ministry of AYUSH, Government of India. The Department involves modern infrastructure, comprising of a well-equipped fitness centre, and a naturopathy centre (in the name of Seth Fatehchand Paliram Jhunjhunuwala), equipped with the whole range of Ayurveda, Panchakarma, massage, steam-bath, mud-bath, hip-bath, tub-bath, spinal-bath, enema along with the facilities of natural therapy, diet therapy, physiotherapy, yogic therapy, beauty treatment, and lifestyle counseling. The Department offers certificate, diploma, bachelors, masters, and doctorate of philosophy (Ph.D.)

programs. These programs are specially designed based on scientifically proven methods.

### OBJECTIVES :

- ◆ To teach asanas or body positions associated with yoga, and pranayama.
- ◆ To use natural elements like air, water, light, heat and magnetic force for preventing and combating various disorders, basically aimed at detoxifying the body and enhancing its vitality.
- ◆ To train and nurture students to groom them as professional therapists with a proper scientific background.

### ★★★ Career Prospects ★★★

- ◆ Academics
- ◆ Research, Administration
- ◆ Health Educator
- ◆ Nutritionist
- ◆ Hospital and Healthcare Administration
- ◆ Naturopathy Consultant
- ◆ Yoga Naturopathy Doctor Yoga Therapist

Ph.D.	Masters Degree with 55% (50% in Case of SC/ST EWS/OBC/PWD)	Minimum 3 Years	For Boys 80,000 For Girls 80,000

# Department of Physiotherapy

The Department of Physiotherapy at Shri JJT University came to existence in 2015. The vision of the Department is to be a pioneer in heralding best physiotherapy health care professionals, academicians & researchers and to be an integral part of society's need. The Department is primarily concerned with the remediation of impairments and disabilities and the promotion of mobility, functional ability, quality of life and movement potential through examination, evaluation, diagnosis, and physical intervention. The Department aims to cater to the preventive, curative, therapeutic and rehabilitation needs of the people. The Department is actively involved in quality teaching and research practices in the field of physiotherapy. The Department offers three regular programs i.e., Bachelors in Physiotherapy (BPT), Masters in Physiotherapy (MPT) and Doctorate of Philosophy (Ph.D.) in

Physiotherapy. These programs are very well received and are in great demand. Equipped with modern infrastructure, including well-furnished physiotherapy laboratories makes the Department an excellent centre for imparting physiotherapy education.

## OBJECTIVES :

- ◆ To provide a conducive atmosphere for easy and effective learning.
- ◆ To prepare the students to face global healthcare needs.
- ◆ To provide quality physiotherapists well equipped with cognitive, psychomotor and affective skills.
- ◆ To inculcate the holistic approach amongst the students for the total rehabilitation of patients.
- ◆ To foster the research culture among the students for timely up-gradation of knowledge.

## ★★★ Career Prospects ★★★

- ◆ Community & Mental Health Centres
- ◆ Nursing Homes/ Private Care Centres
- ◆ Rehabilitation Centres
- ◆ Sports Clinics & Team Physio
- ◆ Fitness Centres
- ◆ Government Hospitals
- ◆ Personal Trainer

# Institute of Home Science

Home Science is the application of science to mold a student into a variety of life skills. It develops a scientific attitude in students to achieve greater efficiency and bring a qualitative change in the life. Since the inception in the year 2010, the Institute of Home Science has followed an interdisciplinary approach in synthesizing knowledge drawn from physical, biological, social science, arts and humanities which has enriched its educational programs. Keeping in view the urgent need for developing state of the art academic and research programs in Home Science, the Department of Home Science under the auspices of the Institute of Home Science has introduced Bachelors in Home Science (BA), Masters in Home Science (MA/M.Sc.) and

Doctorate of Philosophy (Ph.D.) in Home Science. The programs equip the student with the knowledge to carry life smoothly at home as well as to develop career in various fields of education, research, counseling, food & nutrition, household management, wage employment, Nursery school, house-keeping, interior decoration, bakery & confectionary, child development, textile designing, fashion designing, dress manufacturing, dietician, food preservation, specialized cooking, quality analysts, quality controllers, and quality managers in government and private sector. To provide practical knowledge of the course and also to increase their reasoning abilities, the department has different laboratories that are well equipped and administered.

## OBJECTIVES :

- ◆ To impart knowledge to the students regarding various vocational areas of nutrition, textiles, clothing, childcare and community development & extension education.
- ◆ To provide formal training to shoulder all the responsibilities and cope up efficiently with the multifarious demands of the time and energy.
- ◆ To develop a range of theoretical and practical skills that forms an appropriate basis for subsequent professional employment.

## Career Prospects

- ◆ Food, Nutrition and Cookery
- ◆ Household Management
- ◆ Textile & Clothing
- ◆ Health, First Aid and Nursing Home
- ◆ Child Development
- ◆ Mother Craft
- ◆ Human Relationship

# Institute of Fine Arts

The Institute of Fine Arts was established in the year 2009 with the mission to provide advanced training in creative and applied art. The Institute believes in the principle of integrative teaching and thus maintains close interactions with other departments of the University. The Institute covers multidisciplinary aspects and comprises of Department of Drawing & Painting, and Music. The emphasis of the Institute is on the study of prescribed theory subjects and research work in concerned fields. The Institute is supported by

and well-furnished infrastructure. The core groups of faculty members have diverse expertise and research interest. Keeping in view the requirement of developing academic and research programs, the Institute offers Bachelors (BA), Masters (MA) and Doctorate of Philosophy (Ph.D.) programs. The Institute also provides quality instructions & training to students for becoming successful in different competitive examinations like IAS, RAS, NET, PSC, SSC, railways, etc.

## OBJECTIVES:

- ◆ To prepare students in the broadly defined academic disciplines with special regard to the dynamics of cultural heritage.
- ◆ To prepare students for a career in public-oriented and service-minded professions.
- ◆ To help & support poor/needful and intelligent students to spread education to masses.

## ★★★ Career Prospects ★★★

- ◆ Multinational Corporation
- ◆ Teaching & Research
- ◆ Commercial Art Gallery Manager
- ◆ Community Arts Worker
- ◆ Exhibition Designer
- ◆ Fine Artist
- ◆ Graphic Designer

# Institute of Social Sciences

Social Science is an important stream because its study helps us to gain knowledge of the society we live in. Generally, Social Science focuses on the relationships among individuals in society. It is the mixture of many subjects like History, Geography, Political Science, Economics, Sociology, MSW, Psychology and many more. With imparting latest knowledge and skills, the study of social science prepares students to grow up as active, responsible and reflective members of the society. It also teaches them to address societal and global concerns using literature, technology and other identifiable community resources.

## Objective:

Social Science teaching aims at inculcating values among students. These values are to develop students as responsible citizenry for overall national development.

### ★★★ Career Prospects ★★★

- ◆ IAS & Allied Civil Services
- ◆ Political Scientist
- ◆ Economist
- ◆ Industrial-Organizational Psychologist
- ◆ Banking & Corporate Sector
- ◆ Geographer in Urban & Regional Planning
- ◆ Anthropologist and Archeologist

# Department of Library & Information Science

Since more and more organizations in India are embarking on new concepts in handling the data & information. With the changing times, information formats also have changed rapidly from print on paper to digital. There is an urgent need for qualified and trained Library and Information Science professionals to take the lead and guide developments in helping the end-users in the knowledge society. Shri JJT University has started the Department of Library & Information Science under the auspices of the Institute of Arts & Humanities, intending to produce trained professionals in the areas of information science and management. The Department offers Bachelors, Masters, and Doctorate programs in Library and Information Science. These programs incorporate the latest developments in the field of Library and Information Science. The programs cover a wide range of subjects such as concepts of digital library and information management, legal framework, preservation of digital objects, information file formats, standards, protocols, interoperability, use of the digital library, and many other related issues.

## OBJECTIVES :

- ◆ To cater to the growing need for library and information professionals in India.
- ◆ To emphasize on integration of research, communication, and education on a digital library management platform.
- ◆ To give students practical training in the actual use of digital library software and management of the library.
- ◆ To assist students to understand trends and developments within international contexts.

## ★★★ Career Prospects ★★★

- ◆ Public & National Libraries
- ◆ Govt. & Private Educational Institutions
- ◆ Research Support & Assistant
- ◆ Library Attendent, Statistical Centres
- ◆ Information Architect
- ◆ Documentation Centres, Archives & Museums
- ◆ Broadcasting Agencies & Publishing House

# Institute of Law

In order to develop an institution of excellence in legal education, Shri JJT University established the Institute of Law in its campus to run BA-LLB (5-year integrated law course), LLB, LLM, IPR, DFS Diploma and Ph.D. programs. The objective of the institute is to disseminate legal knowledge that meets the demands of the fast-changing economic, political and social institutions. The emphasis is to look at law as an instrument of social change and progress and to inculcate amongst students a high degree of professionalism with a sense of responsibility towards the society.

## ★★★ Career Prospects ★★★

- ◆ Judiciary Services / Corporate Sector
- ◆ Banking Sector
- ◆ Legal Practice / Legal Advisor
- ◆ Teaching & Research
- ◆ Additional Public Prosecutor

## OBJECTIVE :

The main objective is to cultivate the science of law, to promote advanced studies and research in law to meet the social, economic and other needs of the society, to promote systematization of law, to improve legal education, to impart instructions in law, and to publish studies, books, periodicals, etc. promoting and conducting legal research (in corporate law, mercantile law, international law, tax law, patent law, property law, family law, criminal law, and others).

## FACILITIES:-

The Institute has well-furnished infrastructural facilities comprising Moot court hall, legal aid cell, along with an adequate library and computer facilities with internet connectivity. The institute provides the facility of regular coaching for various law-related competitive examinations (like Rajasthan judicial service, assistant public prosecutor and law officers).

# Institute of Pharmacy

The Institute of Pharmacy was established in the University with the mission to advance the pharmaceutical sciences by performing drug-related research and research-based teaching. The field of pharmacy is interdisciplinary by nature hence; the Institute equips the graduates with advanced professional knowledge by amalgamating the knowledge of pharmaceutical, physical, chemical, biological and clinical sciences. To provide a platform for excellence in academics and research, the Institute offers several programs viz. D.Pharma, B.Pharma, and Ph.D. A knowledgeable and stress-free environment is provided to researches for performing advanced path-breaking research. The Institute feels to proudly say that its graduates have been placed in several premier pharmaceutical companies like Ranbaxy, Novartis, Cipla, Cadila, Sun Pharma, Lupin, Pfizer, etc.

## OBJECTIVE :

The main objective of the Institute is to produce graduates who are recognized for their personal initiatives and professional excellence in the field of pharmaceutical sciences. The Institute also aims to develop cost-effective technology to support the pharmaceutical industry.

### Career Prospects

# Central Library

In 2009, the Central library came into existence along with the establishment of the Shri JJT University. It acts as a knowledge repository, supporting the academic, research and extension programs of the university. The centrally air-conditioned, Hi-Tech, 250-seater library is the focal point of all user community of the university.

The library has a comprehensive collection of meticulously chosen 40000 volumes of books (textbooks & reference books), 131 periodicals, national and international journals, magazines, conference proceedings, question papers, project reports, thesis & dissertations and non-printed materials like e-books, e-journals, CD ROM, DVDs, audio & video-tapes, slides etc in the field of science & technology, engineering, commerce & management, pharmacy, humanities, architecture, education, law, moral & spiritual studies, general topics etc. The library has also a collection of more than 16 newspapers in Hindi/English languages.

The Central library is the member of DELNET Online (Developing Library Network), through which it is connected to 6678 national libraries and 22 foreign libraries. DELNET also provides online access to full-text e-journals in the field of engineering, management, pharmacy, and education.

The fully digitalized library utilizes barcode circulation system for smooth and effective functioning and management. Students and staff can borrow books against the library membership card, issued by the library. The library also provides photocopy facilities to students at reasonable charges. All the activities of the Central library are managed by the professional and support staff, providing facilities and a comfortable environment to users seeking knowledge and information. The Central library remains open for 12 hours for all working days except national holidays and major festivals.

Chief Librarian guiding Students regarding Computerize Bar Coding System.

Rich Collection of New Arrivals & Magazines

**NEW DELHI TO JHUNJHUNU**  
**By Road** 245 km via Singhana-Pachaeri-Narnaul  
 260 km via Pilani-Bhiwani-Rohtak  
 272 km via Singhana-Khetri-Narnaul  
**By Train** The nearest broad-gauge railway station is at Churu on New Delhi-Bikaner route. Churu is at 28 km distance by road via Bissau from Shri JJT University. The

**JAIPUR TO JHUNJHUNU**  
**By Road** 180 km via Nawalgarh-Sikar  
**By Train** A broad-gauge railway line connects Jaipur to Jhunjhunu.

The University is situated at Chudela village, 18 km from the Jhunjhunu city on Jhunjhunu-Churu road. Jhunjhunu is one of the district-headquarters of Rajasthan. It is located 180 km from Jaipur and 245 km from New Delhi. The nearest airport is at Jaipur. Jhunjhunu is well connected by road with Jaipur, New Delhi, Bikaner, Jodhpur, etc.

# Office For International Affairs

**Dr. Anju Singh**  
Coordinator, International Affairs  
Shri Jagdishprasad Jhabarmal Tibrewala University, Rajasthan

As part of the New Education Policy (NEP) 2020, the government has asked universities to expand the global reach of Indian higher education institutions to promote India as a global study destination. The Office of International Affairs (OIA) is a strategic link between the University and external stakeholders internationally across a variety of activities. These offices will be one more step in the same direction and would be responsible for academic and research collaborations with foreign institutes, the UGC said.

Offices of International Affairs at Shri JJT University will “act as a liaison body between the foreign

students and sponsoring agency”, address grievances of foreign students, facilitate networking, and extend all support to foreign students to adapt to the country. They will also coordinate all matters related to welcoming and supporting foreign students, disseminate information related to the admission process among prospective foreign students, and engage in promotional activities and brand campaigns abroad. OIA will be facilitating the implementation of the internationalization strategy of the University and its constituent community, also Single point contract for registration with FRRO/e-FRRO. International linkages are crucial for driving the agenda of cutting age globally benchmarked academic research; student, faculty and staff outreach; and a broader culture of diversity across the University. OIA also extend all possible help to the foreign student to adapt to the new cultural environment and make their stay in India comfortable and enriching.

# NCC / NSS / ROVERS & RANGERS

## NATIONAL CADETS CORPS

The NCC in India was formed under the National Cadet Corps Act of 1948. It can be traced back to the “University Corps”, which was created under the Indian Defense Act 1917, with the objective to make up for the shortage in the Army. The National Cadet Corps is the youth wing of the Armed Forces with its Headquarters at New Delhi, Delhi, India. It is open to school and college students on a voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens. NCC is the largest uniformed youth organization. Its motto is 'Unity and Discipline'. In living up to its motto, the NCC strives to be and is one of the greatest cohesive forces of the nation, bringing together the youth hailing from different parts of the country and molding them into united, secular and disciplined citizens of the nation.

Lt. (Dr.) Arun Kumar

Shri Jagdishprasad Jhabarmal Tibrewala University, Chudela has taken a lead and joined the “National Cadet Corps” to train its students to join the services as officers under fully self-financed scheme (FSFS). SJJTU is a sub-unit of 2 Raj Bn NCC Churu with half a company of 80 cadet's strength (SD/SW) which presently included 42 boys and 12 girls cadets. National Cadet Corps offers 'B' and 'C' certificates for Senior Division/Senior Wing (SD/SW) cadets. Currently 54 students from various departments of university were enrolled for NCC. In next semester based on the selection procedure more cadets will be selected on merit. Lt (Dr) Arun Kumar is the Associate NCC Officer (ANO). The University has a NCC Office and separate parade ground, obstacle training & short range firing for cadets. NCC cadets have a choice to opt for NCC as a generic elective course as per CBCS scheme. University strongly supports NCC training both financially and morally at the campus. While pursuing the course, NCC cadets undergo different training programs as Drill, Shooting, Physical fitness, map reading, First aid, Gliding/Flying, boat pulling, sailing, mountaineering, scuba diving and camp training covering basic military training in Army.

## NATIONAL SERVICE SCHEME

Our university has active NSS unit. The information about NSS provision is published in university prospectus and website. NSS unit organize variety of programs for the benefit of society at large. NSS Camps are organized with the financial assistance given by University. Camps were organized in various distant rural villages every year. During these years, villages were adopted by the NSS unit. Our NSS unit has organized different social activities to develop the life skills, Good citizenship, personal development of the students and community at large. This activity teaches the students the importance of hard work and social values.

Dr. Nazia Hussain  
(Programme Officer)

The N.S.S. Unit of our university has been doing excellent social work in rural areas. Apart from clean the campus campaign, Tree plantation, AIDS awareness rally, save the female child campaign, etc. They participate in physical work “Sharmdaan” and organize guest lecturers on current social issues.

## ROVERS AND RANGERS

Rovers and Rangers is the higher wing of Bharat Scout and guide. It is a voluntary and non-political

Dr. Mukta Changil  
(Ranger Leader)

Dr. Shiv Kumar  
(Rover Leader)

educational movement for young people and open to all without distinction of origin, race or creed. The university has a unit of 24 Rovers and 24 Rangers. Shri JTT University has one unit of Rovers & one unit of Rangers. The Rover Leader is Dr. Shiv Kumar and the Ranger Leader is Dr. Mukta Changil.

The main activities of the unit are:

Rovers & Rangers undergo Different Training, Adventure Camps, Training Camps, Wall Climbing, First Aid, Hiking, Trekking, Map Reading, Knots, Lashing, Disaster Management, Moot and Meet National & International Jamborees.

# UNNAT BHARAT ABHIYAN

The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Participating Institutions selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application.

Shri JJT University is the participant institute and have got approval of 21 villages to adopt.

## PUBLICATION

Well equipped Press Established in Shri JJT University campus for research work and many other programs.

## Facility of Quality Food @ Mess & Canteen

The university premises comprise of Mess with a modern kitchen and central dining hall with a capacity of around 200 seats. The mess provides a well balanced, varied, nutritional vegetarian diet prepared under strict hygienic conditions. The mess is run by the university management. The system of self-service is followed in the mess. The day starts with a serving of nutritious breakfast and ends with the serving of delicious dinner. All the diners produce Mess Slip/Coupon to dine every time in the mess.

The university has also provided the facility of a well-furnished canteen for students, staff, and visitors. The canteen offers a wide range of store items needed in day to day life. All the items are provided to customers on printed MRP.

## Modern Auditorium

A modern auditorium (in the name of Bhagwani Devi Basant Lal Goenka) is available for the academic and cultural activities of the university. The centrally air-cooled auditorium has a sitting capacity of around 500 and equipped with Live Recording, Multi-Media Projectors, Sound Theatre System, and Computerized Lighting System. The auditorium involves an orchestra pit, lounge, balcony and dressing/changing rooms.

## Facility of Hostel & Guest House

A well furnished and air-conditioned guest house is available for the guests/visitors. Two VVIP air-conditioned rooms equipped with the facilities of the refrigerator, LCD TV, telephone and attached washrooms. It also facilitates 24-hour accessibility to the internet. The dining hall is

The University provides comprehensive hostel facilities for boys and girls separately within the campus. The hostels are quite spacious and comfortable with well furnished, self-contained and fully maintained rooms. All the rooms have been designed to provide adequate moving space and ample air and light. All the rooms are well furnished with basic amenities like bed, table, chair, wardrobe & having the facility of attached washrooms. The single/double/multi-seated air-conditioned rooms are facilitated with 24 hours power back up and adequate water supply. RO treated drinking water is

situated on the first floor having the sitting capacity of 15 chairs and it can house a gathering of more than 30 peoples. The guest house has safe and clean surroundings managed by professional and trained staff, who attend the guests at all hours. Round the clock services are provided by the guest

available at convenient locations of the hostels. The hostels are equipped with 24X7 security service, along with CCTV surveillance on all entry and exit points. High-speed internet hotspots have been installed in the hostels. The university has provided the facilities of a Gymnasium, Yoga Hall, multipurpose Canteen, BOB Bank ATM, recreation & games arena and health centre for the outstation students. The university has also provided residential accommodation to faculty and staff members.

## 24×7 Medical Facility for Students

**Rameshwarlal Jhabarmal Tibrewala Hospital & Research Centre (RLJT)** is situated in the campus and providing its best services to students, scholars and population of surrounding areas. The mission of establishing such a premier hospital was to provide comprehensive and quality medical health care to patients in all specialties at an affordable price.

Hospital has a vast pool of experienced and talented team of doctors, who further supported by a team of highly qualified, experienced and dedicated support staff. Spread over an area of 2,12,000 sq. ft., the hospital is equipped with state of the art infrastructure & technology.

The RLJT regularly organises Free Medical Camps to cater the suffering humanity of Shekhawati region. A Five Day Free Mega Surgery and Eye Camp was initiated by RLJT and conducted by Mobile Surgical Unit, Govt. of Rajasthan in association with Zila Andhata Niwaran Samiti and Medical Relief Society BDK Govt. Hospital, Jhunjhunu and supported by Asha Network, CMHO office, Jhunjhunu on 31<sup>st</sup> October to 4<sup>th</sup> November, 2019 at Shri JJT University. Apart from that Free Blood Donation Camps are also organised to facilitate poor people.

**Que: Patients of Shekhawati Region waiting for Medical Consultation**

## Seth Fatehchand Paliram Jhunjhunuwala Naturopathy Centre

Naturopathy helps the human system to remove the cause of disease i.e. toxins, by expelling the unwanted matter from the body for curing the disease. The University has a well established & modern Naturopathy Centre with advanced infrastructure, equipped with the whole range of Ayurveda, Panchakarma, Massage, Steam-Bath, Mud-Bath, Hip-Bath, Tub-Bath, Spinal-Bath, and Enema along with the facilities of Natural Therapy, Diet Therapy, Physiotherapy, Yogic Therapy, Beauty Treatment, and Lifestyle Counselling. The centre offers treatment and supportive care for various ailments.

# Sports Facilities & Achiever JJTians

## UNIVERSITY SPORTS BOARD

Shri JJT University Sports Board was formed and registered at Association of Indian Universities in the year 2016 to look after Sports activities of all the concern institutes of university. The Sports Board provides games facilities to the students. Sports Board regularly organizes the Inter-Institute Sports meets besides organizing and sending teams to various Inter University tournaments all over India. The University has a modern sports complex & may be useful to organize even National Sports Meets and Inter University National Games.
