Answer scripts are evaluated by internal examiners by the help of answer key prepared by the panel of examiners. External Examiners are also invited for evaluation. The scheme of evaluation also allots suitable marks for attempt, method, procedure followed by the students to solve the question, even though the final answer is not obtained or incorrect. The university follows central evaluation pattern. On spot evaluation system is followed for assessing the answer script by faculty members. Secrecy of answer sheets is well maintained. Experts are called from outside to set the papers and observe the evaluation.
